## U2-2.5d Challenge up: Writer and director

### What to do

There are lots of ways you can do this project. You could make a story map that is big enough for Edison to drive on, performing actions at each stop on the story map. Or you could have Edison perform actions in time with you as you read the story out loud. Or maybe you can even turn this into a movie by filming Edison performing!

3. Write your own story using a story map!
