

Cut out ear templates for the monkey.

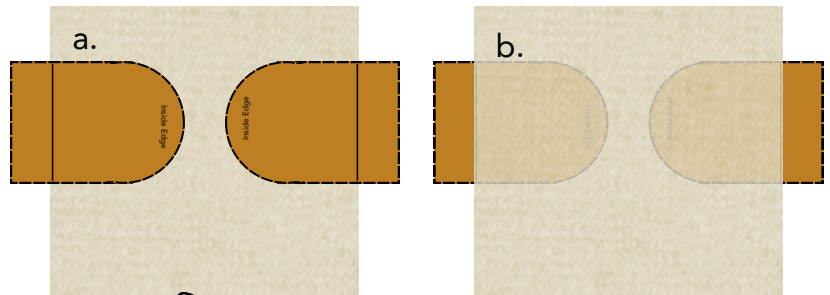

**Tip -Share your templates with a friend when you are done with them.*

SEWING INSTRUCTIONS

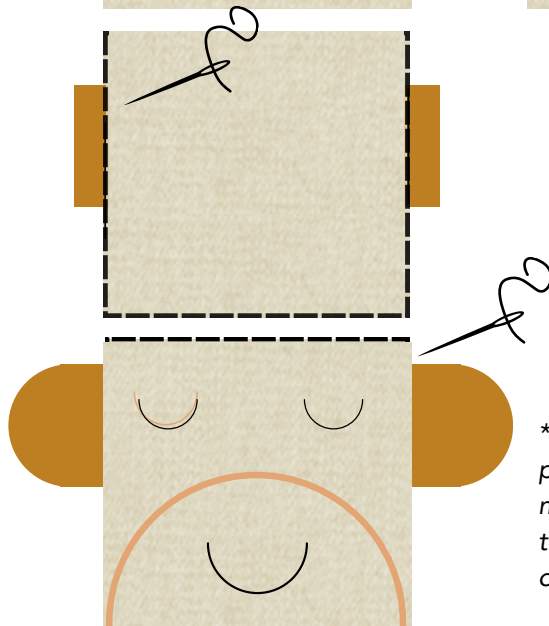

1. Cut out ear templates and trace them onto a fabric square. Cut them out.

2. Get 2 fabric squares and make a fabric sandwich by:
 a. Place one square down then put the ears with the rounded "inside edge" into the middle of the fabric
 b. Place the second fabric square on top.

3. Thread your needle and tie a knot so the thread is tied to your needle. Sew 3 sides.

4. Turn inside out. Draw a face with permanent markers.

5. Then stuff and sew the top! You are done with your stuffie!

**Tip -Place a piece of paper in the pocket so marker does not leak through to the other side or get on the table.*

Optional Ideas: Create any creature you would like - Stop at step 4 and add a strap to make a purse or bag - Sew a loop onto the top and use for a backpack hanger.
