

# Let's try a maze

To use EdBlocks to program Edison, you need to use the EdBlocks app. Go to the app online at [www.edblocksapp.com](http://www.edblocksapp.com)

## What to do with EdBlocks

Using the EdBlocks app, design a program that will get Edison through the maze on the next page.

You can beat the maze using five blocks. Drive straight is the first block you will need.

What are the next four blocks?

How long should Edison do each action?

## What to do with Edison

Download your program to Edison, then place Edison at the start of the maze. Test to see if your program works. Edison needs to reach the finish line to complete the maze.

## Find the Answer

Once, you complete the maze, write down your program here.

Draw your arrow direction here.

Write your times here.
