

Story Contest

Write and Illustrate
Your Own Tale!

This is your chance to be a published author and win a prize!

Write and illustrate a story and you could win amazing prizes! Your story even could be published by STEMTaught and featured in our STEMTaught programs!

How it Works:

- Write a Story – Use your imagination! Choose a topic from a list of ideas to start your story!
- Illustrate Your Story – Draw pictures to go with your story. Use crayons, markers, or construction paper. If you have a laptop, you can use Canva to make a digital book!
- Make a Cover – Don't forget to create a fun cover for your book

Enter to win:

- Write & draw for 20 minutes a day for the next week to week and a half.
- When you're done, give your story to your teacher.
- Story submissions are due on December 21st to STEMTaught!
- 20 stories will be selected for a special STEMTaught prize and will be digitally published!

Be creative, have fun, and let your imagination shine!
